The Dara Hall of Fame

The WoodPoP Dara Award is a recognition initiative, not a competition in the traditional sense. Its aim is to show that wooden buildings can be both aesthetically pleasing and pioneering, with a positive contribution to housing, sustainability and innovation.

All 59 nationally recognised projects of the inaugural edition are now in the Dara Hall of Fame. Together, they aim to inspire architects, designers, developers and the public to see timber as a material with a bright future.

FOUR CATEGORIES

Residential Buildings

Non-residential Buildings

Infrastructure

Renovation, extension and/or
build-on-top

02 People's Choice Award

**Have your say in the
People's Choice Award.
Vote for your favourite
project today.**

[Cast Your Vote Now >](#)

**VOTING EXTENDED
16 October
2026**

Due to high interest, voting has been extended. There is still time to make your voice heard. It takes less than a minute and is open to everyone.

02+ Need Inspiration?

Watch the Dara Award 2026 Playlist

Not sure which project to choose? Let the country videos and project promo videos inspire you: all submitted projects, collected in one YouTube Playlist. Then share it with your network and invite your colleagues, friends and partners to explore the projects and vote.
